A Message from our New President, Mark O'Connor

Hello Club Members,

Because of the continuing pandemic we obviously have not had the events we all enjoy. I am certainly hoping that 2021 brings us the opportunity to pursue those events we love doing with our Newfoundlands.

We recently had an informal hike at Red Rocks and had a turnout of 5 people. It was a beautiful day for a hike and all who attended enjoyed it. I would like to organize another hike Thanksgiving weekend (more details to follow).

Currently the board is working on organizing and structuring rescue so it may be effective when a Newfoundland is in need. I hope you all remain smart and safe until we are through the pandemic. We will have a return to normalcy, and I look forward to that.

Regards,

Mark

High Country Newfoundland Rescue

HCNR is still actively working to rebuild our volunteer network. We are looking for volunteers in all areas, so if you have a desire to get involved, we would love you to visit our website, download and return your volunteer application.

We have successfully added a few volunteers who have completed all their paperwork which is awesome. We will continue to reach out for volunteers to work with us as we grow stronger.

We are looking to have some exciting events for fundraising which we will also have available on our website soon.

Our fall news includes working with the NCA Rescue Network and supporting the rescue of Clair from Utah to her forever home in Oklahoma. Although HCNR was not physically responsible for Clair's journey to her forever home, HCNR has covered the expenses that the NCA Rescue had paid. Financial gifts received being put to work.

HCNR is a 501(c)(3) Non-Profit and donations can be tax deductible. If you want more information about donating and supporting HCNR, please email us at hcnrescue@yahoo.com or visit our website at hcnrescue.org
