Rubber Ducky Regatta!

Sailing through the peaceful waters on the shore of Lake Chatfield, our fowl friends have graced our training days and challenged our retrieving instincts. For some added fun, each day, several yellow plastic friends will be available for purchase for \$5 each. Your dog can “bob for duckies” to select yours if you so choose! Every ducky is a winner! Different prizes each day! So help support our water tests, and good luck!

TEST SITE DESCRIPTION

Chatfield Reservoir is a state park in Littleton, Colorado, about 5 miles south of Denver, Colorado. The entrance fee is \$8.00 per day or you can use a current Colorado State Park pass. This test site should be considered primitive and realistic. The test area is an old gravel pit. Dogs will reach swimming depth at approximately 15 feet from shore. There is a drop-off on the beach of about 8 inches approximately two feet from the water line. The area can be windy and there are no trees or shade, so please come prepared with canopies and covers for your x-pens and crates. The gravel pit is also shared with divers and long-distance swimmers. There is no running water at the site and portable bathrooms are very close by. Construction is taking place this summer around the lake although it does not change the gravel pit area.

DIRECTIONS

From C-470 take Wadsworth Blvd. (Colorado Highway 121) south, then east into the Deer Creek entrance. Once in the park, go to the stop sign, turn right and go 1.9 miles. Turn right into the gravel pit parking lot. Parking is limited at the site but is available across the road.

REGULATIONS

The water test is sanctioned by the Working Dog Committee of the Newfoundland Club of America (NCA) and sponsored by the High Country Newfoundland Club (HCNC). Judging will be conducted under the approved Newfoundland Club of America (NCA) Water Test Regulations copyrighted in 1999 and updated March 2018 as available on the NCA website. Entrants participate in an NCA Water Test at their own risk. Entrants agree that they will uphold the AKC Code of Sportsmanship, the NCA Code of Ethics, and (if applicable) the NCA Judges Code of Ethics. They also agree that any violation of the AKC Code of Sportsmanship, the NCA Code of Ethics and/or the Judges Code of Ethics will be handled pursuant to the NCA WDC Grievance policies listed on the NCA Working Dog Committee website and event toolkits. Entrants are responsible for obtaining and reading the regulations governing NCA Water Tests. Copies of the regulations may be found on line at www.ncanewfs.org or by contacting the Working Dog Committee Publications Secretary, Dwight Gorsuch, 6282 Burris Road, Rock Hall, MD 21661.

Waiver of Rights -- Animals In Distress

The Newfoundland Club of America, Inc, and the regional club hosting this event reserves the right to remove any animal in distress from a parked vehicle or crate, and all persons attending this dog event hereby waives any claim for damages against the Club for such removal. The NCA regards the health, safety and life of any dog on the event grounds to be paramount to other property or privacy rights. If the owner cannot be found in a timely manner, we will take whatever action is necessary for the safety of the dog, which may include breaking windows to enter a vehicle. Dogs found in an unsafe environment, distress, or in harm's way (for example, left in a vehicle without proper ventilation) will be removed to safety. Exposing a dog to an unsafe environment, distress, or harm's way is considered mistreatment and subject to appropriate discipline.

ENTRY FEES

The entry fee for junior, senior and WRDX divisions, re-qualifications and All breed test entry is \$40.00 per entry. Send entry fees for the WD, WRD and WRDX tests (payable to HCNC), a completed entry form and a copy of your dog's AKC, ILP/PAL or foreign registration to: Sue Raney, HCNC Water Test Secretary, 6040 Routt St, Arvada CO 80004. Entries from within the United States will be accepted by U.S. Mail ONLY. Please do not mail any entries "Signature Required." Foreign entries must show a verifiable mailing date. Entries postmarked prior to August 1, 2018 for NCA members and prior to August 10, 2018 for Non NCA Members will be returned. The entry fee for the Tadpole Test is \$10.00. You do not have to be entered in the NCA test to compete in this event. The entry fee for the Veteran Test is \$10.00. You do not have to be entered in the NCA test to compete in this event. All entries will be confirmed by email only unless the entrants do not have email. Please make sure you provide a legible email address. You will be notified by email of your entry receipt prior to the closing date. After the closing date, entry confirmations will also be sent by email. Closing date of entries is September 1, 2018 at 7:00 p.m. Entry fees will be refunded under

the following circumstances only: entry is cancelled by notifying test secretary by email, telephone or USPS prior to the closing date; club cancels the test due to minimum entry requirement; entrant is assigned to the alternate list and cancels entry by notifying test secretary by email, telephone or USPS prior to the closing date; alternate entrant does not receive a testing slot by designated check-in time on the day of the test in which they had entered.

ENTRY LIMITATIONS

Entries for the WD and WRD and WRDX tests are limited to a total of 25 on Friday, Saturday and Sunday. The club reserves the right to cancel the Friday, Saturday or Sunday test if a minimum of 2 entries are not received for each day. Entries for the Tadpole Test and Veteran Test are not limited. Entry slots will be filled according to postmark date. Priority will be given to untitled dogs followed by re-qualifiers. All entries will be accepted beginning with postmarks on August 1, 2018 for NCA Members and August 10, 2018 for non NCA Members. Entries close at 7:00 p.m. on September 1, 2018 after which time entries cannot be accepted, cancelled, altered, or substituted. In order to provide equal opportunity for all exhibitors, entries will be accepted in order of postmark date. In the event of a postmark date tie, a random drawing will be made. No fax, email or phone entries will be accepted. Entries received after the entry limit has been reached and before the closing date will be placed on an alternate list in order of postmark. Alternate list dogs not yet having passed the division entered will have priority over re-qualifying dogs, regardless of postmark. Alternates will be notified immediately should an opening occur.

RE-QUALIFIERS

Re-qualifiers will be accepted on a space available basis. Untitled dogs will be given first priority even if their entry is postmarked after that of a titled dog. Multiple division re-qualifications will be allowed for already titled dogs. Dogs may be entered in more than one division on the same day but only if they have already qualified, at previous tests, in all of the divisions entered. Each entry must be sent on a separate entry form. If the entry for a test exceeds its limit and a lottery is necessary, the dog may not get into each division entered. There will be no substitutions for dogs to change divisions if their entry is chosen for one division but not the other in a lottery. Judges must excuse any dog not in condition to finish the division entered and, if so, the dog will not be allowed to continue in any other division that day. Entry fees will not be refunded for dogs that are excused. Entrants are discouraged from pushing their dogs beyond their limits. Dogs which successfully fulfill the requirements for a Water Dog (WD) title at a test may be post-entered in the Senior Division (WRD) and will be tested at the conclusion of the Senior Division judging. There will be an additional \$10.00 fee for exhibitors wishing to post enter the Senior Division. There are no post-ups for the WRDX division.

JUDGING ORDER

Divisions will be judged in the following order: September 14th, WD, WRD, WRDX; September 15th, WRDX, WD, WRD; September 16th, WD, WRD, WRDX. All breed tests will follow NCA tests (same division order), followed by Tadpole and Veteran tests.

NCA POLICY ON DOG AGGRESSION

Any dog that, in the opinion of the Event Committee, attacks a person or a dog at an NCA working event, resulting in an injury, and is believed by that committee to present a hazard to persons or other dogs, shall be disqualified. Water Test judges may excuse, and even ask to have removed from a test site, if necessary, any dog that appears dangerous to other dogs or persons. Actual reports of dog attacks causing injury to either a dog or a person would go directly through the grievance process. If a judge excuses a dog for aggression that automatically creates a grievance that must be handled by the WDC. No fee is required when this occurs. The test committee must follow the grievance process by collecting witness statements from entrants, stewards or spectators, and the judges. The grievance paperwork will then be forwarded to the WDC, and ultimately to the NCA board of directors for a decision. The disqualified dog may not again compete at nor be on the grounds of an NCA working event unless and until, following application for reinstatement by the owner to the NCA Board, the owner receives official notification in writing from the NCA Board that the dog's eligibility has been reinstated.

MISCELLANEOUS

Bitches in season will be allowed to participate in the NCA tests only. However, bitches will be judged after ALL other entries have completed the test including the WRDX entrants. When not being tested, bitches in season must be contained away from the official test areas. Please notify the test secretary by September 10th if your bitch is in season. Please note: bitches in season will be tested at the end of the day(s) in the following order: Friday WD/WRD/WRDX. On Saturday, WRDX/WD/WRD, and on Sunday, WD/WRD/WRDX. Unentered dogs must be kept quiet, on leash, or crated, and away from the designated test area.

VETERINARIAN

On call: Deer Creek Animal Hospital, 10148 W. Chatfield Avenue, Littleton, CO (303) 973-4200.

MEALS

BREAKFAST: A continental breakfast, compliments of HCNC, will be served Friday, Saturday and Sunday morning on site.

LUNCH: On Friday, Saturday and Sunday, lunches will be provided for exhibitors, stewards and supporters.

DINNER: Please join us on Saturday evening for a dinner to be held at a local restaurant where diners can order from the menu. Details on the Saturday evening dinner will be provided when entries close.

TADPOLE “REQUIREMENTS”

Whether or not your dog has earned a water title, this fun even follows the water tests and is open to all dogs. Preregistration is suggested, day of test entries welcome. The exercises are:

1. The Fetch – toss a bumper 25 feet from shore. Dog swims out to retrieve and brings it back to you while you wait on land.
2. The Dunk – toss or set a sinking toy 8 inches deep. The toy should be fully submerged. The dog gets the toy and you take it from him.
3. The Send – a stranger greets your dogs on shore and show him his favorite toy or bumper. Handler and dog wait onshore while the steward swims out 25

feet. The swimmer waves the article and calls the dog. Your dog swims close enough to the swimmer to reach his foot then brings it back to you on shore.

4. The Boat- Part One: you and your dog approach and board the boat. Part Two: the stewards ease the boat out on the water and row for about 60 seconds, ending with the boat back on shore, stern in. Part Three: stay on the docked platform for a count of 5 then exit the platform to shore. Part Four: Tow the ducky!

5. The Swim – a steward holds your dog by the collar on shore. You swim out 25 feet from shore and call your dog to come to you. The dog swims to you then, you both return to shore, swimming together, to wading depth.

VETERAN “REQUIREMENTS”

Whether or not your dog has earned a water title, this fun even follows the water tests and is open to all dogs 7 years of age and older. Preregistration is suggested, day of test entries welcome. The exercises are:

1. Veteran Directed Retrieve – Just like the Senior double retrieve exercise, only the dog will get one object only, as determined by the judge.
2. Modified Retrieve an Oar – Owner is rowed out to 50 ft. while the dog waits on shore, held loosely by a steward. Owner calls the dog to the boat, tosses the oar toward the dog. The dog must retrieve the oar and return the oar to the boat, either to the owner or a boat steward, and deliver to hand.
3. Take A Line – Just like the Junior Take A Line, except the drowner will be 75 feet from shore.
4. Retrieve An Abandoned Boat – The boat will be rowed to 50 ft. from shore and the bumper placed where the dog can see it. The dog is sent, from the shore, to retrieve the abandoned boat and bring the boat to shore.
5. Rescue – The boat, with owner on board, will be rowed 50 ft. from shore. The dog waits on shore, held loosely by a steward. The owner will disembark from the boat and position himself toward the front of the boat on the far side from the dog. The owner may peek out from behind the boat to call the dog and stay there in sight of the dog but holding onto the boat until the dog rescues the owner and brings the owner back to shore.
