## Certification

The High Country Newfoundland Club has been granted permission to hold this Water Test by the Working Dog Committee of the Newfoundland Club of America in accordance with the Water Test Regulations updated March 2018.

## **Covid-19**

**HCNC will be closely monitoring how Covid restrictions are eased in Colorado and is hopeful that we can move forward with the July water test. Please note additional Covid-19 Guidelines in this premium list. NCA Working Dog Committee is currently reviewing the WRDX regulations due to the close person to person contact required at that level of testing and will notify those clubs offering WRDX of any potential changes in the regulations. Additionally, USPS is experiencing a significant slow down in delivery with reports of first class mail taking as long as 10 days for delivery. Please mail your entry as early as possible to avoid entries received too late due to postal delivery time frames.**

## **TEST SITE DESCRIPTION**

Chatfield Reservoir is a state park in Littleton, Colorado, about 5 miles south of Denver, Colorado. The entrance fee is \$10.00 per day or you can use a current Colorado State Park pass. This test site should be considered primitive and realistic. The test area is an old gravel pit. Dogs will reach swimming depth at approximately 20 feet from shore. The area can be windy and there are no trees or shade, so please come prepared with canopies and covers for your x-pens and crates. The gravel pit is also shared with divers and long distance swimmers. There is no running water at the site and permanent bathrooms are very close by.

## **DIRECTIONS**

From C-470 take Wadsworth Blvd. (Colorado Highway 121) south, then east into the Deer Creek entrance. Once in the park, go to the stopsign, turn right and go 1.9 miles. Turn right into the gravel pit parking lot. Parking is limited at the site but is available across the road.

## **REGULATIONS**

The water test is sanctioned by the Working Dog Committee of the Newfoundland Club of America (NCA) and sponsored by the High Country Newfoundland Club (HCNC). Judging will be conducted under the approved Newfoundland Club of America (NCA) Water Test Regulations copyrighted in 1999 and updated March 2018 as available on the NCA website. Entrants participate in an NCA Water Test at their own risk. Entrants agree to abide by the NCA Water Test Regulations and the Constitution and By-Laws of the NCA. Entrants are responsible for obtaining and reading the regulations governing NCA Water Tests. Copies of the regulations may be found online at [www.ncanewfs.org](http://www.ncanewfs.org) or by contacting the Working Dog Committee Publications Secretary, Dwight Gorsuch, 6282 Burriss Road, Rock Hall, MD 21661.

## **ENTRY FEES**

The entry fee for junior, senior and WRDX (please see above Covid 19 statement) divisions and re-qualification is \$40.00. Send entry fees for the WD, WRD and WRDX tests (payable to HCNC), a completed entry form and a copy of your dog's AKC, ILP/PAL or foreign registration to: Kathy Sylvia, HCNC Water Test Secretary, 1907 Castle Peak Loop NE, Rio Rancho NM 87144. Entries from within the United States will be accepted by U.S. Mail ONLY. Do not mail any entries "Signature Required." Foreign entries must show a verifiable mailing date. Entries postmarked prior to May 1, 2021 for NCA members and prior to May 11, 2021 for non-NCA members will be returned. The entry fee for the Tadpole Test, to be held on Saturday, July 24th only, is \$10.00. Your Newfoundland need not be pre-registered to enter the Tadpole test but you are encouraged to do so. You do not have to be entered in the NCA test to compete in the Tadpole event. All-Breed entry fee for junior, senior and WRDX divisions and re-qualification is \$40.00. All-Breed entries postmarked before May 11, 2021 will be returned. All entries will be confirmed by email only unless the entrants do not have email. Please make sure you provide a legible email address. You will be notified by email of your entry receipt prior to the closing date. After the closing date, entry confirmations will also be sent by email. Closing date of entries is July 14, 2021 at 7:00 p.m. Entry fees will be refunded under the following circumstances only: entry is cancelled by notifying test secretary by email, telephone or USPS prior to the closing date; club cancels the test due to minimum entry

requirement; club cancels the test due to State of Colorado Covid-19 restrictions, entrant is assigned to the alternate list and cancels entry by notifying test secretary by email, telephone or USPS prior to the closing date; alternate entrant does not receive a testing slot by designated check-in time on the day of the test in which they had entered; exhibitor notifies test secretary by email or telephone, of illness or exposure to a Covid-19 positive individual after the closing date.

## **ENTRY LIMITATIONS**

Entries for the WD and WRD and WRDX (please see above Covid 19 statement) tests are limited to a total of 25 on Saturday and Sunday. WRDX entries are limited to 6 per day on Saturday and Sunday. The club reserves the right to cancel the Saturday or Sunday test if a minimum of 6 entries are not received for each day. Entries for the Tadpole Test are not limited. Entry slots will be filled according to postmark date. Priority will be given to untitled dogs followed by re-qualifiers. All entries will be accepted beginning with postmarks on May 1, 2021 for NCA Members and May 11, 2021 for non NCA Members and May 11, 2021 for All-Breed entries. **Entries close at 7:00 p.m. on July 14, 2021** or when the entry is filled, after which time entries cannot be accepted, cancelled, altered, or substituted. In order to provide equal opportunity for all exhibitors, entries will be accepted in order of postmark date. In the event of a postmark date tie, a random drawing will be made. No fax, email or phone entries will be accepted. Entries received after the entry limit has been reached and before the closing date will be placed on an alternate list in order of postmark. Alternate list dogs not yet having passed the division entered will have priority over re-qualifying dogs, regardless of postmark. Alternates will be notified immediately should an opening occur.

## **RE-QUALIFIERS**

Re-qualifiers will be accepted on a space available basis. Untitled dogs will be given first priority even if their entry is postmarked after that of a titled dog. Multiple division re-qualifications will be allowed for already titled dogs. Dogs may be entered in more than one division on the same day but only if they have already qualified, at previous tests, in all of the divisions entered. Each entry must be sent on a separate entry form. If the entry for a test exceeds its limit and a lottery is necessary, the dog may not get into each division entered. There will be no substitutions for dogs to change divisions if their entry is chosen for one division but not the other in a lottery. Judges must excuse any dog not in condition to finish the division entered and, if so, the dog will not be allowed to continue in any other division that day. Entry fees will not be refunded for dogs that are excused. Entrants are discouraged from pushing their dogs beyond their limits. Dogs which successfully fulfill the requirements for a Water Dog (WD) title at a test may be post-entered in the Senior Division (WRD) and will be tested at the conclusion of the Senior Division judging. There will be an additional \$10.00 fee for exhibitors wishing to post enter the Senior Division. ***There are no post-ups for the WRDX test.***

## **JUDGING ORDER**

Divisions will be judged in the following order: July 24, WD, WRD, WRDX; July 25, WRDX, WD, WRD

## **NCA POLICY ON DOG AGGRESSION**

Any dog that, in the opinion of the event committee, attacks a person or a dog at an NCA working event, resulting in an injury, and is believed by that committee to present a hazard to persons or other dogs, shall be disqualified. When the event committee disqualifies the dog, a report shall be filed with the NCA Board. The disqualified dog may not again compete at nor be on the grounds of an NCA working event unless and until, following application for reinstatement by the owner to the NCA Board, the owner receives official notification in writing from the NCA Board that the dog's eligibility has been reinstated. It is very important that each handler keep watch over his/her own dog(s) to avoid any possible confrontation that might result in an event committee hearing on the matter.

### **BITCHES IN SEASON OR BITCHES WHO HAVE HAD OVARIAN SPARING SPAY SURGERY**

Bitches in season or with ovarian sparing spay will be tested after all other entrants for the day have been tested. They must be kept away from the official test areas until notified for testing. Bitches that have had an ovarian sparing spay are now required to be tested as "a bitch in season". Please inform the Test Secretary as soon as possible if you know you will be bringing a bitch in season, or one with an ovarian sparing spay to the test. **Please note: bitches in season will be tested at the end of the day(s) in the following order: Saturday July 24, WD/WRD/WRDX. On Sunday July 25, WRDX/WD/WRD.**

## **COVID GUIDELINES**

Only entrants, owners, stewards, test committee and judges will be in attendance. No spectators will be permitted. All participants will be required to sign a Covid-19 waiver, for each day of the test, assuming all risks related to potential exposure to Covid -19 and will be issued an armband. All participants must maintain 6 feet of distance from all others. All exhibitors will be required to wear their masks unless actually working their dog. If you have a fever, are not feeling well or have had contact with a known Covid-19 positive individual within 48 hours of test, we ask that you contact the test secretary immediately and do not attend the test. Covid-19 check in procedures will be provided to each exhibitor in their final entry confirmation letter. We will be following the State of Colorado and any Federal guidelines for additional mask wearing and social distancing. **Please note these guidelines are subject to change and are provided on current local, state and federal Department of Public Health Guidelines. You will be informed of any changes as the test date approaches.**

## **TADPOLE REQUIREMENTS**

Whether or not your dog has earned a water title, this fun event follows the water tests on Saturday and is open to all dogs. Preregistration is not required but strongly encouraged. The exercises are:

1. The Fetch – toss a bumper 25 feet from shore. Dog swims out to retrieve and brings it back to you while you wait on land.
2. The Dunk – toss or set a sinking toy 8 inches deep. The toy should be fully submerged. The dog gets the toy and you take it from him.
3. The Send – a stranger greets your dogs on shore and shows him his favorite toy or bumper. Handler and dog wait on shore while the steward swims out 25 feet. The swimmer waves the article and calls the dog. Your dog swims close enough to the swimmer to reach his toy then brings it back to you on shore.
4. The Boat- Part One: you and your dog approach and board the boat. Part Two: the stewards ease the boat out on the water and row for about 60 seconds, ending with the boat back on shore, stern in. Part Three: stay on the docked platform for a count of 5 then exit the platform to shore.
5. The Swim – a steward holds your dog by the collar on shore. You swim out 25 feet from shore and call your dog to come to you. The dog swims to you then, you both return to shore, swimming together, to wading depth.
