Quorum met

Jim introduced himself. He thanked Katie for stepping in as Interim President and Mark for serving as president for his many terms. He has been enjoying meeting members and appreciates those that have reached out. He has enjoyed being a member of our club and the camaraderie and the friendships, along with the chance to do things with our dogs. He feels that it is important to treat everyone around you with kindness as you don't know what they are experiencing. Also not everyone might like the decisions, but once decisions are made, we need to follow and support them. Above all else, he wants the club to have fun!

Jim has created an email for himself, it is hcncpresidentji@gmail.com

Discussion was about updating the website, having committees for fun events, if the vice president is still in charge of activities, and how to convey the happy and sad happenings to Sue who is our Sunshine Chair.

Meeting adjourned at 6:29pm
